## PACKAGING

To emphasize the quality of the SmartSuit brand, the products are presented in a unique, high quality cardboard box. This ensures an appealing and organized shelf presentation. The special lid on the SmartSuit package triggers consumers to open the box and discover the intelligent design and luxurious fabrics of SmartSuit products.

## IN-STORE PRESENTATION

For the optimal in-store presentation of the SmartSuit concept, a stylish floor display and demo display have been developed. In case you would like to integrate the SmartSuit brand presentation in your existing shelf space, we can offer a customized POS solution to dress your shelves for the true SmartSuit look and feel.
